2019 City Commission Meeting Calendar

RECOMMENDED ACTION (Motion):

Staff recommends the City Commission review the draft 2019 meeting schedule and make any necessary changes.

BACKGROUND:

Each year the City Commission considers the dates for the next year's meeting schedule. Included with this report is a draft version of the 2019 schedule that includes meeting dates for the City Commission regular meetings, work sessions, annual retreat, and Enhancement Grant Program Committee meeting. Please note, the City Commission Goal-setting Retreat has been scheduled for February 1 & 2, 2019, the Budget Committee meeting is scheduled for May 6, 2019, and the Enhancement Grant Committee meeting is scheduled for June 13, 2019.

The calendar is set in advance to allow the Commission opportunity to plan ahead and avoid conflicts throughout the year. Review of the calendar also provides notice to the public of the next year's scheduled meetings.
