Prepare for NRC Update to the City Commission on December 5

RECOMMENDED ACTION (Motion):

Discuss 2018 activities and accomplishments.

BACKGROUND:

Please see attached list of agenda items for 2018 to date for review. The NRC had a productive 2018. Major contributions of the committee included:

- Providing feedback on the McLoughlin / Canemah Trail and Filbert Run Park projects
- Providing feedback on amendments to the NROD, Tree Protection, Heritage Tree, and Public Street Tree codes
- Participating in Tree Planting, Arbor Day, Oregon City Enhancement Day, and Habitat Improvement work at Waterboard Park.
- Providing oversight and feedback on the use of Tree Growth Regulation hormone by PGE.
- Commenting of NROD land use applications for Meyers Road Extension and Canemah Docks (pending).
- Provide input and guidance on the Greater Oregon City Watershed Council stream crossing signage project.
