### Modification of Planning Division Fee Schedule

#### **RECOMMENDED ACTION (Motion):**

Provide feedback on proposed fee amendments.

#### **BACKGROUND:**

The enclosed draft amendments to the Planning Division Fee Schedule:

- Adjust the fees to fairly implement the proposed amendments to the Municipal Code which include a variety of new processes as well as changes to streamline the review for some existing processes.
- Add new fees to recover costs for services currently provided.
- Reword some existing fees for clarity.

In all, 6 fees are proposed to be deleted, 8 fees are reworded with no change to the fee amount, 5 fees are revised to be increased or decreased, and 20 new fees are proposed.

This proposal is identified to be come before the City Commission for consideration by Resolution on July 17, 2019. The Resolution would continue to include a provision to adjust fees on an annual basis to account for inflation.

#### **BUDGET IMPACT:**

Amount: Likely Minimal
