Code Amendments Discussion: Shelters (Planning File LEG-18-00001)

RECOMMENDED ACTION (Motion):

Discussion.

BACKGROUND:

Staff has prepared a memorandum in response to the latest City Commission discussion regarding shelters on June 5, 2019. More specifically, the Commission directed staff to organize a work session with shelter providers and related entities to review the shelter definitions. The City Commission work session on August 13, 2019 is intended to provide final direction to staff in preparation for the continued public hearing for LEG-18-00001 on September 4, 2019.

Please refer to the attached staff memorandum for further information.
