Review of Annual State Library Report

**RECOMMENDED ACTION (Motion):**

Review and comment

**BACKGROUND:**

Please see the attached document. It shows all of the questions along with the answers from 2019 and 2018. The 2018 answers are on the far right. The report essentially shows that while there is growth in a few areas, such as door traffic up 17,000, the library is relatively stable and performing well.
